## Limited Warranty Quality Pledge

Dear Customer,

Congratulations on your decision to purchase the most reliable heating and cooling equipment. We are so confident in our product performance that we back it with the **Frigidaire Quality Pledge**:

\*If the Compressor in your **Frigidaire** outdoor cooling unit fails to operate during the first ten years of ownership, under normal use and due to a defect in materials or workmanship, **NORDYNE** will replace the outdoor unit only.

If the Heat Exchanger in your **Frigidaire** package gas/electric unit or furnace fails to operate during the first ten years of ownership, under normal use and due to a defect in materials or workmanship, **NORDYNE** will replace the package gas/electric unit or furnace.

A labor fee up to \$250 will be paid to the service company to replace the failed piece of equipment. You are responsible for the balance of all labor charges.

### Exclusions:

The warranty must be registered within 60 days of the installation or occupancy. If registration is not completed within 60 days, the quality pledge reverts to 5 years.

If it is a split system unit, it must be installed with a **Frigidaire** manufactured and matched coil or air handler. The warranty period for the new unit continues from the original installation date of the previous unit.

\*Note: In the year 2010, air conditioning equipment will no longer be available with R-22 refrigerant. At that time an outdoor condensing unit replacement will require a system that is compatible with R-410A, the new refrigerant. The indoor evaporator coil and connecting line set will have to be replaced. The homeowner will be responsible for the expense of replacing the evaporator coil and line set. In lieu of replacing the evaporator coil and line set, the homeowner can elect to receive a new R-22 replacement compressor if available.

## TEN YEAR LIMITED WARRANTY FOR SITE-BUILT\* RESIDENTIAL USE ONLY

NORDYNE extends this limited warranty to the original owner of the equipment only. Coverage terminates on transfer. If any part fails due to a defect in material or workmanship within the Warranty Period (defined below), a replacement part will be provided free of charge except for the freight costs which are the owner's responsibility. NORDYNE will not pay for parts purchased in the field from other than a Frigidaire distributor. Replacement parts are warranted only for the balance of the original Warranty Period. The "Warranty Period" is 10 years (except for compressors in unmatched systems which have a 5 year warranty period, and heat exchangers which carry a limited lifetime warranty) from the later of the date of original installation or when the residence is first occupied, if properly documented; otherwise the 10 year period commences on the date of shipment, plus sixty days. In order to be eligible for coverage under this warranty, you must register within 60 days of the later of installation or occupancy. If registration is not completed within 60 days, the Warranty Period reverts to:

5 year parts

5 year compressor

20 year heat exchanger

\*A residence constructed on its permanent location.

**ACCESSORIES:** Frigidaire accessories such as thermostats, whole-home electronic air cleaners and humidifiers, etc. installed as part of the system, are covered under this 10 year limited parts warranty. The Warranty Period for any accessories added 30 days or more after initial system installation is 1 year. Consumables related to accessories are not covered.

## THIS LIMITED WARRANTY NOT VALID FOR COMMERCIAL USE – SEE BELOW.

4. Equipment ordered over the internet is not covered.
5. NORDYNE is not responsible for normal maintenance or service or for problems caused by improper installation, application, or operation of the equipment. We recommend semi-annual preventive maintenance inspections on the entire unit and/or accessories by a licensed or otherwise qualified dealer, service technician, or contractor.
9. The units must be installed and located in the 50 United States or Canada. Puerto Rico and Mexico are excluded.
10. This warranty does not apply to units that are installed in corrosive environments such as salt air.
11. THERE ARE NO OTHER EXPRESS WARRANTIES, EXCEPT AS SET FORTH ABOVE. Any implied warranties of merchantability or fitness for any purpose relating to the parts of the unit shall terminate on the termination dates of the corresponding express

warranties covering said parts. Under no circumstances shall NORDYNE be liable for incidental or consequential damages resulting from breach of any express warranty or implied warranty including the implied warranties of merchantability or fitness for a particular purpose. However, some states do not allow limitations on how long an implied warranty lasts and/or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This limited warranty gives specific legal rights, and you may also have other rights which may vary from state to state.
